EVERY DOOR
DESERVES A
dorsët

EVERY DOOR DESERVES A

dorsët

MORE SAFE. MORE SECURE.

Whether you're a homeowner, an architect or a builder dedicated to excellence, every home you build holds a unique story, woven with memories, dreams, and aspirations.

At Dorset, we believe that every door is not just an entrance but a gateway to a world of possibilities, an embodiment of your home's character and charm.

Our commitment goes beyond mere furnishings; it's about infusing your space with the essence of quality and world-class craftsmanship that resonates with your soul.

We understand that more than just security, you seek peace of mind. That's why we meticulously curate our selection to protect more than just your material possessions. We believe in safeguarding your sentiments and embellishing it more safely and more securely.

That's why we say, '**every door deserves a Dorset**'.

VISION

To be an Enterprising, Innovative and profitable global supplier of total access products for homes and Workplaces and to be an employer who understands the importance of creating value for all Stakeholders.

Mission

"Dorset Inside" we shall strive to create Innovation, Value based and Trust worthy products for all establishments to ensure safe and secure living & working environment

dorsët

An organization with over 28 years of experience as a reputed manufacturer of architectural hardware and provider of high security locking solutions.

We combine new age aesthetics with cutting edge technology.

Our collection includes Architectural Hardware, Door handles, Door Locks, Door Control Devices, Glass Hardware, Door Accessories, Digital Locks, Furniture Fittings & Kitchen Hardware.

Equipping ourselves with the powers of Automation, Emerging Technologies backed by a full-fledged research unit comprising four independent R & D cells dedicated to ushering in tomorrow, today.

At the heart of it all is our understanding of the evolving technological scenario and changing consumer needs.

We understand that in order to stay ahead we have to keep innovating to keep delighting our customers.
